

# SALA vs SALA PRO (NAV) + SALA HUB

<b>VERSION</b>	<b>RADIO STD</b>	<b>SALA PRO NAV</b>	<b>SALA HUB</b>
YPSILON/HF Line	IVI MID	Opt	NO
YPSILON/HF LINE WITH Pack Tech	IVI MID	Opt	YES
YPSILON LX	IVI MID	Opt	YES

SALA is the commercial name of the Ypsilon infotainment system.

SALA Hub is the commercial name of the circular illuminated device located on the dashboard.

Interaction via voice commands occurs in different ways depending on the trim level/equipment.

**Ypsilon/HF Line versions:**

SALA interacts with the driver only through **Hey Siri/Ok Google** if the smartphone is paired.

**Ypsilon/HF Line versions with Tech Pack:**

SALA interacts with the driver through **Hey Siri/Ok Google** if the smartphone is paired + **light feedback from the SALA Hub** (included in the Tech Pack).

**Ypsilon/HF Line versions with Tech Pack and SALA Pro (Nav):**

SALA interacts with the driver through **Hey Siri/Ok Google** if the smartphone is paired + **light feedback from the SALA Hub** (included in the Tech Pack) + **Hey SALA (Natural Voice Recognition)**.

**Ypsilon/HF Line versions with SALA Pro (Nav):**

SALA interacts with the driver through **Hey Siri/Ok Google** if the smartphone is paired + **Hey SALA (Natural Voice Recognition)**.

**Ypsilon LX version (SALA Hub is standard, so light feedback is always present):**

SALA interacts with the driver through **Hey Siri/Ok Google** if the smartphone is paired + **light feedback from the SALA Hub**.

**Ypsilon LX version with SALA Pro (Nav):**

SALA interacts with the driver through **Hey Siri/Ok Google** if the smartphone is paired + **light feedback from the SALA Hub** + **Hey SALA (Natural Voice Recognition)**.

---

In general, the SALA Hub (where present) lights up every time the user interacts with **Hey Siri/Ok Google/Hey SALA** (where available) and, in addition, lights up in the color of the selected ambient lighting when the color is changed.

Hey SALA works when the Navigation system is present and responds to voice commands related to **phone, navigation, media, and in-car temperature adjustment**.
